RECYCLING/FUNDRAISING PROJECT

Our school will be taking part in this fundraising project which helps reduce landfill and recycles oral care waste (toothbrushes, toothpaste tubes etc.) See the brochure below as to what you can send in. There will be a collection box in the office to place these items. When the box is full it will be sent to the ‘Terracycle Company’ who then turns it into other useful products. They will then reward us with a donation of two cents per accepted item that we collect. This is a great way for kids and families to help the planet!
