4C have been working on ‘Persuasive Text’.
The simplest way to make sure your kids are eating enough fruit + veg

It’s hard to reach your child’s daily veg requirements if you leave it until dinner time.

The lunchbox is perfect for packing fun snacks that will help kids get their serves of veg for good health.

Try these simple ideas:

- Vegie sticks: Cut carrot, cucumber, capsicum or celery into sticks and serve alone, or with some hummus or salsa.
- Fill celery sticks with low-fat cream cheese and sprinkle sultanas on top. This is a tasty treat!
- Pack a healthy salad with colourful cherry tomatoes, snowpeas and carrots.

Everyone should be aiming for 2 serves of vegies a day – these easy ideas will help you get there!
